

AACSB International would like to spotlight the effective practices of its members in assessing student learning outcomes, as well as noteworthy achievements and experiences with the assurance of learning process.

To help us highlight your school's experience, please complete in the following information:

Name: Name of the school and of the institution to which it is attached (if applicable)

Web Site: The Web site of the school

To help AACSB highlight your school's assessment practices, processes, and/or experiences, please provide a detailed description. You may wish to include some or all of the following characteristics:

- **Background:** How your assessment practice(s) came to be developed.
- **Level:** To which program(s) do the practice(s) you wish to highlight apply?
- **Implementation:** How your assessment processes work.
- **"Closing the Loop:"** How the data gathered from your assessment processes contribute to the continuous improvement of your program(s)
- **Administration:** Who is responsible for the administration of assessment at your school?
- **Resources:** Is there a budget allocation for assessment processes at your school? If so, how is it determined?
- **Lessons Learned:** Has there been any particularly noteworthy result(s) from the use of assurance of learning processes at your school?
- **More Information:** The contact information of a person, and/or Web address of a Web site, from which further information regarding the spotlighted practice or experience may be obtained

Spotlights will be rotated regularly. For questions or to suggest/submit a spotlight, please email research@aacsb.edu.

Thank you!
