- Core competencies in Corporate Tax Planning, Audit Consulting, SOX, Income Tax Accounting (ASC 740), and Business Combinations (ASC 805)

PROFESSIONAL EXPERIENCE

Partner

MS Campbell & Associates, LLP, Woodland Hills, California • 2014 to Present

Tax specialty accounting and consulting firm

Managed the firm operations including HR, finance and treasury functions as well as staff training. Also served as the engagement partner in providing tax compliance, accounting and consulting services to various clients including:

- Mitsubishi Electric Group, a U.S. subsidiary group of a publicly held Japanese corporation comprised of companies engaged in manufacture and distribution of consumer electronics, auto parts, automation equipment and heavy electrical equipment, as well as R&D, finance and a private foundation.
- Inphi Corporation & Subsidiaries, a publicly held multinational corporation engaged in fabless manufacture and distribution of high-speed semiconductor conductors.
- Accuride International Inc. & Subsidiaries, a privately held multinational corporation engaged in global manufacture and distribution of premium ball-bearing drawer slides.

Principal

JKH Tax Consulting, Chatsworth, California • 2009 to 2014

Corporation tax consulting firm

Provided tax accounting and consulting services to corporate clients with emphasis on corporation income tax accounting. Clients included public corporations with revenues exceeding \$16 billion to various mid-size private corporations. Projects included purchase price accounting, FIN 48 evaluation and documentation, SOX documentation, provision calculation modeling, project management overseeing quarterly and year-end income tax provision calculation including 10-Q and 10-K reporting, and purchase accounting in business combinations.

- **Clients included:** Amgen Inc., Wyle Inc., Southern California Edison, Pinnacle Entertainment Inc., Inphi Corporation, LegalZoom, and Savings.com.

Director, Tax Provision

Amgen Inc., Thousand Oaks, California • 2006 – 2009

Fortune 500 public corporation, one of nation's largest biotech company

Led the global income tax provision process and related financial statement reporting and effective tax rate forecasting. Ensured compliance with FAS 109, FIN 48 and other income tax related standards and guidance in connection with income tax reporting in the financial statements, footnotes, 10K and 10Q. Provided forecast of effective tax rates, cash tax payments and tax impact of long range business plans to controllership, financial planning and treasury.
