

Quality in Assurance of Learning (AoL) Certificate Program

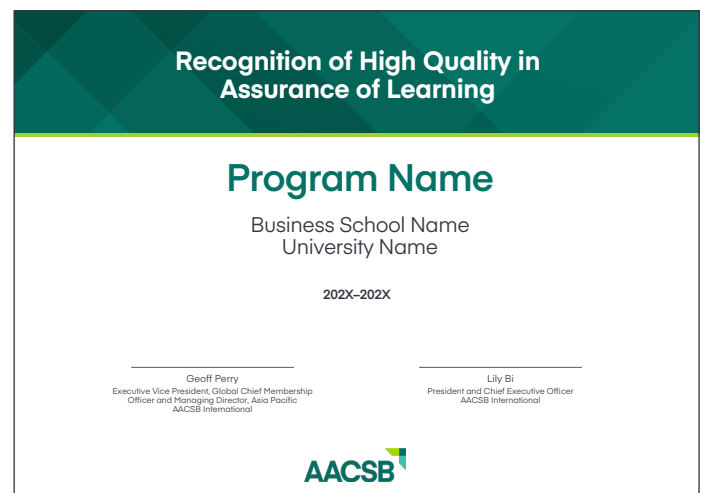

Verify your achievement of an effective AoL program through AACSB's 22-week virtual professional development opportunity designed to strengthen your institution's learning assurance processes and curriculum effectiveness.

Communicate Your Quality

Achieve a verified recognition of an effective AoL system in one of your programs.

A certificate of the achievement will be awarded upon successful completion of the AoL development plan and assessment of the program AoL report.

The achieving school may share its recognition with internal and external stakeholders.

Program Requirements

- The participating school must be a member of AACSB International
- The participating program must have:
 - At least 15 graduates each year
 - At least three graduating cohorts, or equivalent, at time of the final assessment
- The participating program must align with program criteria:
 - Well-documented AoL process that includes direct and indirect measures that lead to curricular and process improvements
 - Programs resulting in the same degree credential ensure equivalence of high-quality outcomes irrespective of location and modality
