**Please Note:** If a 3rd registrant discount ($100 of every third and subsequent registrant) applies for this event, please be advised that a minimum of two PAID and PROCESSED registrations for the same event are required before the discount will apply. If you don’t see a discount applied to your registration fee, this means the minimum requirement has not been met. See the event website for further details.

**Please Note:** If you intend on registering someone else from your organization, you should first check to see that they have a myAACSB account. You can do this by selecting the “Register someone else (At your organization)” button and begin typing their name in the box. If their name does not populate this means that they do not have an account.
After you have clicked the “Start Registration” button, you will be brought to the event registration page. On the first page of the registration you will enter in the registrant’s information. Upon completion you will go to the bottom of the page click “Save” and then click “Next Step.”
